## CanSIA Recognizes Outstanding Contributions at the Solar Canada 2013 Game Changer Awards Gala

**Toronto – December 10, 2013** – The Canadian Solar Industries Association celebrated its leaders and innovators last night at the Solar Canada 2013 Game Changer Awards Gala. The **Game Changer Awards** recognize the excellence of those who have provided service excellence, outstanding leadership, innovation or made significant contribution to the solar industry over the last year.

“Often, there are individuals and companies in this industry who stand out, who take an exemplary leadership role, who turn a challenge into an opportunity or take innovation and technology to a new level,” said John Gorman, CanSIA President. “We feel it is important to recognize their contribution on these occasions.”

Following are the winners of the 2013 Solar Canada Game Changer Awards:

<b>Solar Industry Leader:</b>	Fidel Reijerse, RESCo Energy Inc.
<b>Emerging Solar Leader:</b>	David Berliner, Emerging Leaders for Solar Energy, and Inês Ribeiro, Emerging Leaders for Solar Energy
<b>President’s Solar Award:</b>	Nigel Etherington, Chief Technology Officer, Potentia Solar
<b>Solar Adopter:</b>	Manasc Isaac Architects
<b>Solar Innovator:</b>	SunRise Power
<b>Solar Service Excellence:</b>	Hatch
<b>Solar Thermal Project of the Year:</b>	Thermo Dynamics
<b>Solar PV Project of the Year:</b>	Sentinel Solar
<b>Solar Developer of the Year:</b>	Recurrent Energy
<b>Solar Distributor of the Year:</b>	HES PV

### About CanSIA

The Canadian Solar Industries Association is a national trade association that represents more than 650 solar energy companies throughout Canada. Since 1992, CanSIA has worked to develop a strong, efficient, ethical and professional Canadian solar energy industry with capacity to provide innovative solar energy solutions and to play a major role in the global transition to a sustainable, clean-energy future.
